I see the clouds they're painting a picture

Fmaj7 C G

I see the face of God

(Chorus)

Fmaj7 C G C

Won't you look up and see life around you

Fmaj7 C G C

Won't you open your heart to this world

Fmaj7 C G C

Won't you free your mind from the pain that binds you

Fmaj7 C G C

and see the Face of God

I see a women slowly dieing

I see her husband sing her songs

I see a rose gently lying on her coffin

I see the Face of God

I see the ocean waves crashing

I taste a salt water breeze

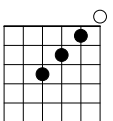

I see the sun build an ocean sidewalk

I see the Face of God
