

SPRING STREET

Keith Naylor

(Capo on 3rd Fret)

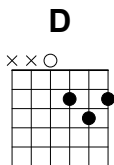

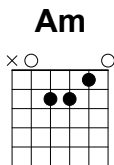

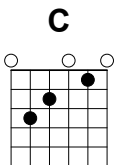

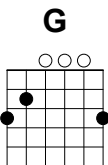

G **C** **Am** **C**
Hey mister do you have a dime, do you have a dime
G **C** **Am** **C**
It's all I need for my train fair
G **C**
I lost my job and my wife's real sick
Am **C** **G** **C** **Am** **C**
and my baby...well it's more than I can bear
G **C**
and I smelled the scent of Listerine
Am **C** **G** **C** **Am** **C**
and the baby steps of a well plan scheme and I wondered
G **C**
I wondered why my God was here
Am **C** **G** **C** **Am** **C**
and I wondered why he needed a beer in the winter

(Chorus)

G **Am** **C** **D**
Hey Jesus with your worn out clothes and your scattered mind
G **Am** **C** **D**
what you doing on Spring street
G **Am** **C** **D**
of all the people you could be did you have to pick
G **Am** **C** **D**
a disguise so distressing (2x)

So I opened my had to my new found friend
and side by side we walked to the Krystal
and as we talked and as we ate
he forgot his scam and I lost my hate for the weather
and I smelled the scent of love unseen
and the longing for a hearts thats clean and I wondered
I wondered why my God was here
And I wondered how he took my fear, and I wondered

SPRING STREET (PAGE 2)

Keith Naylor

Hey mister do you have the time, do you have the time
I think I'm late for my train here
Thank you so much you've been more than kind
If you don't mind can you spare me a nickel
and I smelled the scent of Listerine
as I gave the man the last of my change and I wondered
I wondered why my God was here
and I wondered why he let me near, Still I wonder
